

BSA RESPONSIBLE USE OF ALCOHOL POLICY

The BSA Responsible Use of Alcohol policy applies to all camps, domestic and international competitions including travel.

- a) If underage, you will adopt a zero-tolerance policy for the consumption of alcohol while a member of a BSA team. You also when travelling on a youth team regardless of age will comply with the 1043 Alcohol Policy.
- b) You will at all times act in accordance with the laws of Australia and other countries you visit (e.g., age restrictions) with regard to the consumption of alcohol.
- c) You will be expected as a responsible team member by reinforcing responsible attitudes and behaviors regarding the consumption of alcohol amongst all team members.
- d) You understand as a team member of an appropriate age (regarding each countries law) that it has been deemed acceptable to consume no more than two alcoholic drinks with dinner at the team member's personal cost.
- e) In line with Clause d) you undertake to accept the direction of Team Officials when requested to stop consuming alcohol.
